

## Independent Rescue Program

Fur-Ever Friends will accept pets for display at their adoption fairs at PetsMart on Hanes Mall Blvd. two Saturdays each month. There is no obligation to adopt out the pet solely through Fur-Ever Friends.

All dogs must be tested for heartworms and cats must be tested for feline leukemia/FIV and must produce a vet report of current rabies, distemper/parvo (dogs) and FVRCP (cats). All animals need to have a fecal test to treat any intestinal parasites. When coming to the adoption fair, they must be clean, and flea/tick free. They must be vaccinated at least 5 days prior to coming to the adoption fair.

Adoption fees are paid to the owner/foster and must equal or exceed current rescue partner prices. (\$95-dogs; \$75-cats).

**There are no same-day adoptions**, therefore the owner/foster keeps pet until IR coordinator can do vet/reference checks if the pet receives an application at the adoption fair. A home delivery by the owner/foster is ideal. If owner/foster cannot do home delivery, the IR coordinator should be notified. The IR coordinator can try to arrange for delivery or have the new adopters come to PetsMart for pick-up.

**If the pet is of the age to spay/neuter, this step must be completed before the pet is placed in its new home.** If needed, a voucher may be provided by Humane Solution to the pet owner/foster, or the owner/foster may opt to go to the Forsyth S/N Clinic in Kernersville. If the pet is under 16 weeks at the time of adoption, Humane Solution may issue a voucher to the new owner and follow up. The s/n surgery may come from funds from the adoption fee.

Fur-Ever Friends will provide cage cards, adoption applications, cage (cats only), water bowl, and adoption interview assistance to you. You will be required to fill out owner release form. **You will also be expected to stay with the animal during the adoption fair, unless arrangements are made in advance.** You will be expected to walk your pet (dogs only) and clean the cage when necessary.

Cage space is limited. To schedule a pet for an adoption fair, please call Katie Harry at 540-454-3718 or email at [katie4ffonc@gmail.com](mailto:katie4ffonc@gmail.com).
